

IN THE COURT OF APPEALS OF MARYLAND

INTERIM ADMINISTRATIVE ORDER OF DECEMBER 27, 2021

RESTRICTING STATEWIDE JUDICIARY OPERATIONS

IN LIGHT OF THE OMICRON VARIANT OF THE COVID-19 EMERGENCY

WHEREAS, Pursuant to the Maryland Constitution, Article IV, § 18, the Chief Judge of the Court of Appeals is granted authority as the administrative head of the Judicial Branch of the State; and

WHEREAS, Chapter 1000 of Title 16 of the Maryland Rules of Practice and Procedure sets forth the emergency powers of the Chief Judge of the Court of Appeals; and

WHEREAS, Due to the outbreak of the novel coronavirus, COVID-19, and consistent with guidance issued by the Centers for Disease Control and Prevention (CDC) and the Maryland Department of Health (MDH), an emergency exists for which measures continue to be required to mitigate potential for exposure to individuals visiting a court or judicial facility and judicial personnel; and

WHEREAS, The administration of justice necessarily has been affected by the pandemic and will continue to require the professionalism, courtesy, and cooperation of the members of the bench and the bar in navigating the changes to practices and procedures; and

WHEREAS, Remote proceedings have proved to be useful and effective in facilitating the courts' performance of core functions during the COVID-19 emergency and will continue to be necessary; and

WHEREAS, The rapid emergence of the Omicron variant during the COVID-19 emergency requires the Judiciary to restrict operations for a limited period in order to maintain essential functions, while employing appropriate safety measures and monitoring

local health conditions to continue to support the health and safety of Maryland residents and Judiciary personnel; and

WHEREAS, The *Amended Administrative Order on the Progressive Resumption of Full Function of Judiciary Operations Previously Restricted Due to the COVID-19 Emergency*, filed June 3, 2020, provided for five phases of a progressive return to operations, and provided further that these phases would be utilized should a change in the level of operations be necessary during the remainder of the COVID-19 emergency; and

WHEREAS, Although vaccination efforts have made significant progress and infection rates had previously fallen, the emergence of the highly contagious Delta variant and now the substantially more contagious Omicron variant and the attendant risk posed to those who are vaccinated and those who have not completed the vaccination process require the return to a more restrictive Phase of emergency operations,

NOW, THEREFORE, I, Joseph M. Getty, Chief Judge of the Court of Appeals and administrative head of the Judicial Branch, pursuant to the authority conferred by Article IV, § 18 of the Maryland Constitution, do hereby order this 27th day of December 2021, effective December 29, 2021, as follows:

- (a) Due to the emergence of the highly contagious Omicron variant, the Judicial branch will revert, on an interim basis from December 29, 2021, through February 8, 2022, pending further order, to Phase III emergency operations as described in the Exhibit appended to this Administrative Order. Additionally:
 - (1) More flexible alternative work arrangements for certain employees shall be permitted beginning December 29, 2021, through February 8, 2022, subject to direction from the Human Resources Department of the Administrative Office of the Courts,
 - (2) Courts seeking to stagger personnel reporting in person temporarily during Phase III operations shall do so consistent with the guidance

provided by the Administrative Office of the Courts' Department of Human Resources; and

- (b) Pending further order of the Chief Judge of the Court of Appeals, the courts are authorized and may conduct remote proceedings to the greatest extent possible during the health emergency, using communication platforms consistent with the *Administrative Order on the Implementation of Remote Electronic Participation in Judicial Proceedings*, filed June 18, 2018, and the *Amended Administrative Order on Remote Proceedings Held During the COVID-19 Emergency*, filed May 1, 2020, and the relevant Maryland Rules, including amendments that took effect on July 1, 2020; and
- (c) Jury trials that have already commenced as of the date of this Order shall proceed to conclusion.
- (d) Jury trials scheduled to commence between December 29, 2021, and February 8, 2022, shall be rescheduled in accordance with the terms and conditions established by the *Fourth Amended Administrative Order on Lifting the Statewide Suspension of Jury Trials and Maintaining Grand Juries*, filed August 6, 2021; and
- (e) Statutory and rules deadlines related to the adjudication of pending criminal matters that are rescheduled pursuant to this order shall not count against the time remaining for the start of a criminal jury trial. The resumption date of criminal jury trials further shall serve as the resumption date for days to be counted toward any adjusted deadline for the start of any trial pursuant to Section 6-103 of the Criminal Procedure Article and Rule 4-271(a)(1), commonly known as the *Hicks* date. There further shall be an additional tolling of thirty days from the time that jury trials resume on February 9, 2022 to allow the Circuit Courts to conduct status hearings and reschedule jury trials as appropriate.

- (f) For all criminal cases that were pending or initiated on December 29, 2021, through February 8, 2022, the deadline to conduct preliminary hearings in the District Court pursuant to Maryland Rule 4-221(b) is extended to February 9, 2022, pending further Order; and
- (g) All extant Administrative Orders on the COVID - 19 Emergency shall remain in effect, except that to the extent that this Administrative Order conflicts with extant Administrative Orders, local administrative orders or policies, or the Exhibit appended to this Order, this Administrative Order shall prevail; and
- (h) This Administrative Order will be revised as circumstances warrant.
