

NOTICE: The Maryland Judiciary strives to protect the integrity of information regarding the cases and respective parties stored in the applications and systems they manage. To further that cause, the Maryland Judiciary has implemented CAPTCHA (Completely Automated Public Turing test to tell Computers and Humans Apart) technology to confirm users are not robots or other automated systems when using the [Maryland Judiciary Record Search Portal](#). Beginning Monday, March 28, 2022, all registered users will be required to respond to a CAPTCHA prompt before searching within the Portal.
