Questions/Responses No. 2 to the

Request for Proposals (RFP) K22-0013-29

JAVA Engineer Analyst

Ladies and Gentlemen:

The following questions for the above referenced RFP were received by e-mail and are answered and posted for all prospective Offerors. All information contained herein is binding on all Offerors who respond to this RFP.

19. Question: Can the proposed candidate be counted as the three required references or should they be separate?

    Response: References should be separate.

20. Question: What is the budget for this project?

    Response: The Judiciary does not share budgetary information.

21. Question: Can the bachelor's degree for the Java Engineer Analyst be in engineering or a related field?

    Response: Yes.

22. Question: Is there an alternative to Python (Django) as a requirement for candidates

    Response: PHYTHON experience is not a requirement but experience with a scripting language is a plus.
