**GENEROUS  
Jurors .....**

Let your heart decide

What's your verdict?

The Generous Jurors Program  
is a way for you to directly help  
a child in foster care or a needy  
family in Kent County. It is also  
a means for our community to  
voluntarily fill a void left in the  
wake of dwindling resources.

## Kent County's

### Generous Jurors Program

\*\*\*\*\*

Began in 2005 as a cooperative effort between branches of state and county government. Members of each branch worked together cooperatively to put mechanisms in place that would allow this program to become a reality. Partnerships such as this can help provide solutions to many of the tough issues facing government today. However, the key partner in this endeavor is YOU!

Will you please help us make it work?

The idea is this.....  
If you would like to donate the \$25 payment you receive for Jury Duty to the Kent County Department of Social Services, sign the enclosed voucher and return it in the enclosed postage prepaid envelope. It is a simple yet meaningful gesture that would raise needed additional funds for foster children and needy families.

The need for additional community support is growing...and it is anticipated that the numbers of needy children and families will increase even more as reforms are made in family assistance programs.

**All donations go directly to providing foster children with special amenities and enhance the foster care program in Kent County. Families are assisted with meeting emergency needs when other funding is unavailable or depleted.**

The Generous Jurors Program will assist in purchasing items and services for children in our foster care program: Christmas and birthday gifts, educational enrichment, band, athletic, or other extracurricular activity equipment, clothing and fees, transportation, school supplies, therapeutic recreation, camp fees. Eligible families will receive help with emergency needs such as rent, utility, heat, shelter, food, medical, or dental care.

YES!!!

I wish to donate my jury duty stipend to the Kent County Department of Social Services.
