To our Prospective Business Partners:

We have completed the evaluation of proposals received in response to the above referenced procurement.

While we will make some awards under this venue, we feel we have not identified all the right resources to satisfy the "five-day-on-site" requirement.

Therefore, we will issue a new, very similar RFP this week, in which this five-day-on-site requirement has been removed, to provide us with a selection of candidates for the remaining support services.

I am available – preferably by email – for any additional questions you may have.

Thank you for your interest.
