**Subject:** CONNECT Parallel System Is Down

Hello CONNECT Parallel Testing Community:

We are currently experiencing an issue with the availability of the CONNECT Parallel Test environment. The duration of this outage is not currently known. We will inform you as soon as the system comes back online.

This is not impacting the availability of the online training modules. You can access those materials at:  
<http://mdcourts.gov/connect/connected/index.html>

Please reserve your support requests until later.

Thank you for your patience and understanding.

The CONNECT Team
