Subject: IMPORTANT: CONNECT Server Issues Impacting CONNECT Availability

Hello CONNECTors,

We have recently received a report from JIS that they are experiencing a server issue that is causing trouble with the performance of CONNECT. Please let your constituents know that we are aware of this issue and JIS is working to resolve it as quickly as possible.

We will provide you with an update as soon as one is available. There is no need to contact the CONNECT Support Hotline. Our apologies for the inconvenience.

Thanks,
The CONNECT Team
