**Subject:** REGISTRATION REMINDER: CONNECT 2-Hour Hands-On Workshops (11/09-11/13)

Hello CONNECTors:

This is a reminder about the registration for the 2-Hour Hands-On Workshops that will take place next week on Monday, Tuesday, Thursday and Friday.

Use the link below to register through Sign-Up Genius to select one of the available 2-hour blocks of time. **Registration is required**. All sessions will be at the JECC in Computer Room A.

[www.SignUpGenius.com/go/20F0545ADA929A1FA7-connect3](http://www.SignUpGenius.com/go/20F0545ADA929A1FA7-connect3)

These workshops are an opportunity to supplement your learning of CONNECT by working directly with instructors on specific areas that are a challenge for you. These are not formal training sessions; but instead, each 2-hour session will be an informal, unstructured format to receive additional instruction based on your questions.

Participants ***must have completed some form of training*** on the particular topic that you would like to cover – either in a classroom or online - prior to attending a workshop. You may extend this invitation to others who have completed online training or attended the classroom session and still need some additional assistance; however, we ask that you primarily consider it for supervisory/managerial employees.

Please contact us at [connect@mdcourts.gov](mailto:connect@mdcourts.gov) if you have any questions or challenges.

Thanks,  
The CONNECT Team
