Subject: Know Who Your CONNECTor Is

Hello Judiciary Employees:

We are coming into the home stretch of implementing CONNECT – the Judiciary’s new HR system that all Judiciary employees will use.

To provide you with local support resources, we have trained a group of people called **CONNECTors**. It is important for you to know who your CONNECTors are so you can contact them as your first line of support when you have a question in CONNECT.

Click [HERE](#) to access the complete roster of CONNECTors sorted by County. Please become familiar with your CONNECTors and reach out to them when you need information or support about CONNECT.

Thanks,
The CONNECT Team
