Court of Special Appeals April 2020 Schedule

Panel assignments for argued cases will be identified for each courtroom approximately 7 - 10 days in advance of argument. Panel assignments are always preliminary and subject to change. If any party has a basis for seeking recusal of any judge listed as sitting in a courtroom in which that party's case is pending, a motion should be filed no later than 3 business days before the argument. Additions to the docket are indicated in bold type. Cases that have been removed from the docket are indicated by strikethroughs.

Except as noted below, arguments scheduled for April 1 through April 3 are now scheduled for April 13 and April 14. Please see below.

Also note that all arguments in the month of April are being conducted by a remote meeting platform called Zoom. Please see the Court of Special Appeals' webpage for details: www.mdcourts.gov/cosappeals. Counsel should receive additional instructions via email approximately one day prior to argument.
