Canons and Rules of Judicial Ethics Not Applicable to Judge's Spouse

You have inquired of this Committee whether the Maryland Canons or Rules of Judicial Ethics will preclude the employment of your wife as Administrative Assistant to Delegate X, of the Y County delegation, during the Legislative Session of 1976.

The Committee has considered your request and is of the opinion that neither the Canons nor the Rules relate in any manner to the nature of the employment accepted by the [spouse] of a judge.
