Step 2: After logging in, you will be on the "My Info" page.

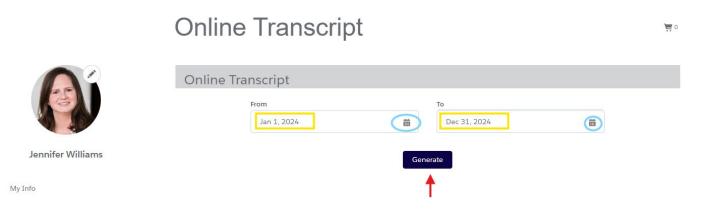

Step 3: Under your name, there are navigation options. Select "Online Transcript."

<u>Step 4</u>: Enter the date range you'd like captured in your transcript. For example, the date range for a 2024 report is 01/01/2024 to 12/31/2024 – this will generate a transcript that only includes credits earned in that timeframe. For best results, use the calendar icon. Then click on "Generate." There will be a spinning image while processing.

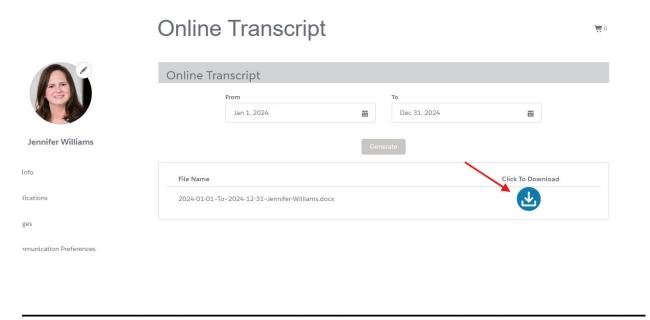

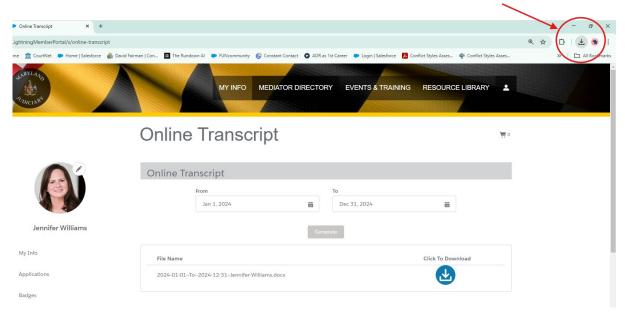

<u>Step 5</u>: When the transcript is ready, this is what you will see. Click on the white arrow in the blue circle to start downloading.

**Step 6**: The download will begin. On Chrome browsers, your downloads will be accessible at the top of your screen in the upper right hand corner, by clicking the gray arrow.
